About Yangon Aerodrome Company Limited (YACL)

Setting the standard for high performance

Incorporated on 3rd October 2015, Yangon Aerodrome Company Limited (YACL) operates and manages Yangon International Airport (YIA), the gateway to Myanmar. As the company responsible for Myanmar’s largest and busiest airport, YACL sets the standard for YIA as a high-performing aviation hub, built on a foundation of daily excellence in infrastructure, operations and management.

Strategically located between India and China, Myanmar is less than six hours by air from two-thirds of the world’s population. With Myanmar gaining popularity as a travel destination, YACL is committed to scaling up YIA’s handling capacity for visitor traffic while continuously providing quality experiences for passengers and airlines alike.

YIA has 47 retail and service stores and 23 F&B outlets. With 32 international airlines connecting Myanmar to 32 destinations, YIA served a total of 6.035 million passengers from around the world in 2018.
