About Yangon Aerodrome Company Limited (YAACL)

Setting the standard for high performance

Yangon Aerodrome Company Limited (YAACL) operates and manages Yangon International Airport, the main gateway into Myanmar. As the largest and busiest airport in Myanmar, YIA sets the standard as a high-performance airport with its overall approach towards achieving excellence in key areas such as infrastructure, organisation and management.

Over the last few years, Myanmar has seen steady growth in visitor traffic. As the country is set to experience long-term growth in tourism, YIA targets to handle up to 20 million passengers a year and is geared to provide quality experiences and services for passengers and airlines.

Yangon International Airport (YIA) is strategically located between India and China with two-thirds of the world's population within six hours flying range including cities such as Narita, Incheon, Dubai, Doha, Beijing, Hong Kong and Taipei. Serving 28 international airlines and 25 international destinations, YIA handled a total of 5.92 million passengers in 2017.
