

Press Release

Yangon International Airport (YIA) launches Left Baggage Service at Terminal 1

Yangon, Myanmar - 23 November 2018 – Yangon International Airport (YIA) now offers a Left Baggage Service, a 24-hour service for travelers who want to store their bags safely while they shop hands-free or leave the airport.

Launched at Terminal 1 on 19 November 2018, the service fees range from 3,000 Ks to 15,000 Ks per piece based on baggage size. The counters, which are located at the public area near Exit 7 and are open around the clock.

The new service is the latest in a series of in-terminal upgrades at YIA. In the year to date, the airport has installed 30 new check-in counters and five new Baggage Claim Belts at Terminal 1, autonomous multi-level security equipment, and new lounges and F&B outlets.

Please see below for the full rates and airport security requirements.

To use the service, users must abide by the following restrictions:

- Required documentation: NRC, Passport or other identity card
- What you can deposit: Baggage including suitcases, laptop bags, backpacks, handbags, shopping bags, plastic bags and various personal belongings
- What you can't deposit: Cash, explosive devices, fragile objects, pungent items, food and other perishables

About Yangon Aerodrome Company Limited (YAACL)

Setting the standard for high performance

Yangon Aerodrome Company Limited (YAACL) operates and manages Yangon International Airport, the main gateway into Myanmar. As the largest and busiest airport in Myanmar, YIA sets the standard as a high-performance airport with its overall approach towards achieving excellence in key areas such as infrastructure, organisation and management.

Over the last few years, Myanmar has seen steady growth in visitor traffic. As the country is set to experience long-term growth in tourism, YIA targets to handle up the extensive capacity yearly and is geared to provide quality experiences and premium services for passengers and airlines.

Yangon International Airport (YIA) is strategically located between India and China with two-thirds of the world's population within six hours' flying range including cities such as Bangkok, Singapore, Kuala Lumpur, Tokyo, Seoul, Dubai, Doha, Beijing, Hong Kong and Taipei. Serving 31 international airlines and 29 international destinations, YIA handled a total of 5.92 million passengers in 2017.
