their skills on the court but also serves as an important qualification tournament for the FIVB Volleyball Men's Club World Championship at Belo Horizonte and Betim in Brazil.

Serving as an ideal platform to promote and encourage cultural exchanges among athletes, this Championship creates opportunities to foster the development of volleyball in Asia and provides access for Myanmar's younger generation to gain exposure and valuable tournament experience.

This year's event is supported by the Asian Volleyball Confederation, Myanmar's Ministry of Health and Sports and Myanmar Volleyball Federation.
