About Asia World Foundation (AWF)

Asia World Foundation (AWF) is the not for profit arm of Asia World Company Limited. AWF is committed to supporting projects to help develop the well-being of the people of Myanmar and has been engaged in philanthropic works for many years. The Foundation has supported projects covering a broad range of areas, including education, disaster relief, healthcare, and community development.

The Foundation has recently completed a 54 km concrete road that connects Angumaw to Maungtaw in Northern Rakhine. The road will be a catalyst for a socio-economic transformation long overdue for Myanmar’s most impoverished State.
